

Your electronic W-2/1042-S for 2008 is now available via the Virginia Tech Student, Faculty and Employee Information Gateway (<http://www.hokiespa.vt.edu>). This process will allow you to access your W-2/1042-S earlier than in prior years and it will save the university money by reducing costs for postage and forms.

Retrieval of the electronic version acknowledges consent to electronic receipt and a paper version will not be provided. **The printed electronic form is an IRS acceptable version of the Form W-2/1042-S.** If you do not wish to utilize this version do not access the electronic form and a paper W-2/1042-S Form will be mailed to the mailing address on record. Note **paper forms will not be mailed until the end of January.**

Access to this information is secured with your PID and password. **If you do not have a PID,** access the following link for information regarding PID generation
